 - Nickolas Schulz (NB) – Technical Drafting
 - Brenden Fleming (DR) – Technical Drafting – 5th Place
 - Brandon Lemke (DR) – Technical Drafting – 2nd Place
 - Nathan Russell (LP) – Technical Drafting – 1st Place
- Three students competed at the state competition
 - Brenden Fleming (DR) – Technical Drafting – 5th Place
 - Brandon Lemke (DR) – Technical Drafting – 4th Place
 - Nathan Russell (LP) – Technical Drafting – 3rd Place

Community Service

- The CAD program completed 24 projects for members of the community
 - 22 Mechanical Design projects
 - 2 Architectural Design projects
- Numerous projects for other programs at the Ed-tech Center.

Industry Certifications

- Autodesk Certified User: Inventor Certification
 - Nathan Russell (LP)
 - Nickolas Schulz (NB)
 - Brandon Lemke (DR)
 - Brenden Fleming (DR)

Advisory Committee

- Added two new members from industry who agreed to be a part of the committee

Residential Electric/Plumbing/HVAC

Competitions

SkillsUSA

- Regional Competition Results
 - Austin Wilcox, Imlay City Junior
 - 3rd Place Team Build Plumbing
 - Anthony Barreto, North Branch Senior
 - 3rd Place Team Build Electrical
 - Jacob Knudsen, North Branch Senior
 - 1st Place - Individual Electrical
 - Isiah Rohner, Lapeer Senior
 - 3rd Place - Individual Electrical
 - Emily Ulbrik, Imlay City Junior
 - 4th Place - Individual Electric
- State Competition Results
 - Hunter Schenk – North Branch
 - 3rd Place - Individual Plumbing
- Skills State Sheet Metal Contest
 - Hosted State Competition at Ed Tech
 - Only school competing in Sheet Metal in the State
 - Three students in competition
 - Donavan Mingee
 - Matt McMahon
 - Donald Landerschier.
 - represented our school last year at Skills USA nationals
 - placed 13th in the nation
 - Close competition
 - Students worked all day
 - Donald Landerschier qualified to compete at Nationals again this year

Klein Tools National CTE Signing Day

- Selected to host a Klein Tools National Signing Event
 - For students entering:
 - Trade School, Military
 - College
 - entering the workforce as an apprentice in their trade
 - collaborative effort with:
