

K-12 Comprehensive Virtual Title IX Training

On May 6, 2020, the U.S. Department of Education issued new Title IX regulations. The regulations, which take effect August 14, 2020, significantly change schools' obligations when addressing sex-based harassment and discrimination complaints.

Thrun Law Firm is offering a comprehensive virtual Title IX training for all K-12 employees who will serve as Title IX Coordinators, investigators, decision makers, or appeals officers. This training will satisfy new training requirements and will cover, among other topics, the new complaint, dismissal, investigation, decision, and appeal procedures and the new definition of sexual harassment. The training will ensure that school officials responsible for implementing the Title IX regulations are prepared for the start of the school year. ATIXA-certified Thrun attorneys will be available to answer questions during the training. Attendees will receive an electronic certificate of attendance after the training.

The training will be held virtually on **August 7, 2020 from 10:00 a.m.-3:00 p.m.** Breaks will be provided.

The cost is **\$195** per person for retainer clients and **\$295** per person for non-retainer clients. To register, please complete and return this form. Each attendee will receive an email with a Zoom link to the training after the order form has been processed.

Due to Zoom limitations and to ensure the training is effective for all attendees, space will be limited. If you submit an order form and the limit has already been met, we will begin a wait-list for a second virtual training.
